AWARDS

Briskham Award Winner 2013—George Turner has been a long term member of many clubs, including Eastern districts, Postal Stationery and Postal History, Woodville and the Australian Postcard Society. He has held the position of Treasurer, Acting Treasurer, Auction Superintendent for long terms with all the clubs he has been associated with. Without his assistance at Congress in bringing frames from Goolwa, tables from Saphil House, assisting with serving refreshments, we, as a state, would be missing one of our most "unheralded helping hands of philately". Congratulations George, from all involved in South Australian Philately.

Harry Butler Award 2013 - Lorna Werner is a foundation member of the Strathalbyn Philatelic Society, formed in 1979. She has been the Secretary since 7th July. Lorna is a very efficient secretary, who the club members say, has never missed a meeting. She is one of the many stamp collectors who never enter an exhibition, but still collect very seriously for their own satisfaction. Lorna stores all the philatelic aids in her home as well as organising supper for their meetings. Lorna is also one of the many philatelists across the world who clean and pack stamps for Mission Stamps who raise Thousands of dollars for overseas trade.

YOUTH NEWS - Barbara Bartsch at the two Eastern Suburbs schools, East Marden and Thorndon Park Primary Schools.

In September again we studied a country, Japan with its thousands of islands.

Everyone had a copy of small booklet about the stamps of Japan and about the country and the history. They also received 6 Japanese stamps. First we talked about the country then there was a small quiz and everyone won prizes. For homework they were to pick out one Japanese stamp and write something about it—either factual or a small fantasy. Those that do it will win another small prize at the next meeting. There was no meeting in October because of the South Australian School holidays.

The November meeting will be the last for the year as there are too many other activities taking place at the schools in early December.

So this is the final meeting when prizes are handed out for those attending the most times. Although it is only 1st, 2nd and 3rd attendees, usually there are multiple number of 1st, 2nd and 3d. So they all receive a small prize.

Unfortunately I will lose my best members as they now leave and go to secondary schools, but I hope to have many new members next year.
